

CORPORATE REGATTA

Team Building

Concept

Sailing is the ideal activity for team building.

An unforgettable experience where your group will **work together** building trust, **cope** with challenging situations, learn to **co-operate** to pursue a common goal and create **cohesion** with long term benefits. A motivated team is the **key for success** in sailing as well as in business.

Sailing fits everybody, no experience needed. **Relaxing** in cruise-mode or actively **involved** in a regatta, it depends on what you want to achieve and how much you want to **challenge** your group.

We provide everything you need for a corporate event on the sea.

Program Suggestion

Half day regatta :

- 1- Reception at the harbour
- 2 - Briefing and boarding
- 3 - Theory on board and role assignment
- 4 - Navigation and preparation for regatta
- 5 - Two or three regattas rounds, depending on the forecast
- 6 - Free navigation to the harbour
- 7 - Outboarding

Before boarding

The main point is to create trust and security delivering all informations about the trip.

We have developed over the years a special method for the initial briefing where our Skippers, sharing their passion, will be more than teachers and the briefing itself will be an interesting interaction between us and the audience.

On board

Our purpose is to create an **interaction** between group and skippers, **stimulate** curiosity and start to get them involved in the **sailing experience**. Teams are introduced to the sailing practice. Everyone is **welcome on board** and will find its own place depending on skills and expectations.

Teams will learn the **regatta** rules. Each one will be busy working on different tasks. Everybody is involved to get the best out of their boat and win the regatta.

At Sea

Regatta

Description : A start line, an arrival line, a course depending on the wind.

Several race heats Start Procedure: A 5 min countdown. Every min is punctuated by a sound signal and a top radio, boats sail around the starting line and try to find the best strategy and they don't have to cut the line before the end of the countdown. The boats are all elbow-to-elbow creating a spectacular scenario of shapes and emotions, for the team spirit, many short rounds are done, The winning team is the one who cuts the arrival line first.

Keeping alive the spirit of the experience, slowly happily sailing back to the harbour.

Back to the harbour

Outboarding and Awards

A final moment to **share** the experience, **celebrate** while the winners will be awarded.

Photo and video shooting.

Possibility to plan a cocktail to celebrate the event.

Who are we

We are originally a Sailing School and as we are part of the Federation Francaise de Voile (French National Sailing Association) we can guarantee 100% security and offer all services from Regattas to "Baptême de Voile" (Initiation to Sail).

Sailing in French Riviera is the ideal destination for corporate events all year round thanks to the exceptional forecast condition, International Airport nearby and the wide range of iconic events from Monaco Formula 1 to Cannes Film Festival.

Jean-Philippe CAMBAY

is happy to meet you sur la *Cote d'Azur* and share "his" passion for sailing.

Professional skipper who since 35 years had the chance to sail the Seven Seas, meaning all the world's oceans, 6 transatlantic races , including 3 solo, who decided 20 years ago to drop the anchor in Cap Ferrat and open his Sailing School, still operating now. During the last years he decided to use his expertise and sailing for communication.
